

## THE VILLAGE DIARY

Due to illness I didn't go ahead with the Family Picnic in the school holidays' but it will happen. I will give consideration to time of year, so that the weather is pleasant. It will be in a future diary.

If some how you don't receive a diary there is always copies at the Post Office.

For articles to go in the diary, the book is in the Post Office, closes 21<sup>st</sup> of each month.

**The Craft/Coffee Shop** This shop is so good for our town. It's getting better and better, and bigger and bigger. Congratulations Anne and Glenda for your hard work to move it ahead. The volunteers are so committed and reliable and very much needed. Be a volunteer, it will lift your spirits.

**The Pool** It is that wonderful time of the year where the mineral pool gives young and old a great time. This pool is an asset to Barmedman and needs to be respected from putting rubbish in provided bins, keeping the amenities clean and ensuring that there is no damage to the site or the pool. A special thank you to those who were at the working bees, a wonderful community effort.

**Post Office** I'm sure we are all aware of the many services and goods for sale provided by the PO. It is a PO with a difference. It supports this town in many ways. Every Thursday a roast is cooked, either lamb, beef or pork for a small cost of \$8.50, will need to be ordered. In addition there is B&B on the premises named ~~191 House~~. Linda and Steve are the hosts, and are thrilled with the response so far. For bookings phone 0414595960.
