

## THE BARMEDMAN VILLAGE DIARY

Well! here we are March already and hoping the very hot weather is behind us. It's great to have people from other towns being involved in our activities and those passing through stopping at the Post Office and Coffee Shop. In addition some are returned visits.

A pleasant morning at the coffee shop. Those who attended enjoyed home cooking along with being entertained by Sharon, singing popular songs that we knew as she played the guitar. Some were unable to attend so we will have a repeat of this event and many thanks to Sharon for her to use her talents for our enjoyment. Many thanks to Simon and Keith for making the shop nice to be in.

### Other Events

The Craft/ Coffee shop had the pleasure of 10 visitors from Temora arranged by Pinnacle Community Group. They not only visited the Craft shop but also the Mineral Pool and the Post Office incorporating a General Store. It brought back memories for two ladies. Betty McCabe operated the telephone exchange (now the general store) and Marlene Sinclair who was the Postmistress for many years. The outing was most enjoyable. This article appeared in the West Wyalong Advocate, Friday the 22<sup>nd</sup> February.

A group of ladies from Cootamundra also visited the mineral Pool, had a nice lunch and some even went for a swim.

**Handy Hint;** to ensure that you get perfect crackling, make sure the pork is dry. Score the top of the meat if necessary. Leave overnight in the fridge, uncovered. Rub with oil and salt, cook on high at the beginning and when crackled turn temperature down to cook the rest of the pork.

**Thought for the month;** constantly question how to live in the world and yet find liberation.
