Tidy Towns Committee need volunteers to help water the seven street blister gardens. Even if you care for one garden it will be a great help. It would be nice for Barmedman's main street to look inviting to visitors. Please put your name on the list at the Post Office.

Volunteers are also needed to paint the main street gutter edge after the pavers are cleaned.

Barmedman Mineral Pool area is being upgraded and working bees will be organised soon. Keep a lookout for posters and the Pool's Facebook page for dates for a working bee. We need "all hands on deck" so the pool can be filled.

We also need volunteers to go on a roster for cleaning of BBQ's, sweeping under awning/tables area and toilets at the Pool during the summer months. Offers of help once a week would be great. The more names the less times in the month. Please put your name on the list at the Post Office.
