We have been contacted by Rachel Mayne from Relationships Australia, Wagga Wagga and surrounding districts. Rachel is a Mentor with Relationships Australia. She was asked if she would like to work in the local, smaller, rural regional communities raising awareness of her Organisation and the services it offers. As Rachel has lived in rural remote areas herself and is very aware that often our outlying areas get missed, she was delighted to accept this regional opportunity.

Rachel will be visiting Barmedman on Friday 13th September 2019 and all are welcome to attend. The session will be held at the Old Court House in Robertson Street starting at 10.30am and all are welcome. Coffee and tea will be available but we ask you to kindly bring a plate. If you would like further information, please contact Wendy Glover on 6976 2458 or 0419 936 116 or contact via Email: wendy.glover3@bigpond.com

A HUGE “HAPPY FATHER’S DAY” TO ALL THE DEAR DADS OUT THERE ON  
SUNDAY 1<sup>ST</sup> SEPTEMBER. WE HOPE YOU HAVE A GREAT DAY!

*A warm welcome to any newcomers to Barmedman. We're happy to have you here and hope you enjoy your new community.*

Well done to the volunteers at the Craft & Coffee Shop who catered for the Temora Antique Motor Club in August especially Brenda Conway. Without her help at the sink, the kitchen would have been in a bit of a mess.

The shop is catering for a lot of groups now as word of the homemade goodies available spreads and more helpers would be greatly appreciated, even one morning or afternoon a month would be a big help.

After expenses and upgrades to the shop, further profits are returned to the community with the Mineral Pool receiving a large contribution last year. If you would like to be part of an expanding part of our community and enjoy the company of nice people, just drop into the shop and have a talk to one of the volunteers and hopefully put your name down to give a hand.

The Barmedman Heritage and Information window at 72 Queen Street is up and running with a digital display showing hundreds of images of Barmedman ad surrounds both current and historical, alongside a pictorial display that is updated from time to time bringing back memories of locals and times past and soon to have local artefacts kindly on loan from some very generous village folk.

The Community Recreation grounds are available for children's parties and family fun days now.

The amenities are being upgraded/repaired now and the new covered area gives protection from the sun. Keys for the amenities block are available from a lock box at the General Store 7 days a week, just call in or if outside store hours text or call Steve on 0414595960 to get the current code to access it.

Bland Shire council has been so well impressed by the way the local youth have embraced and looked after the skate track that it will be left in Barmedman until after the next school holidays at least. Thanks kids for taking ownership and responsibility!
